Dear SMPS Florida Chapter Inc.:

Your recent contribution will benefit patients and their families by providing the highest level of care, skill and service found only at Arnold Palmer Medical Center.

Our hospitals have made remarkable advances through the years by keeping our patients first in the decisions we make. Mr. Palmer would have it no other way. This philosophy is shared by our board certified physicians, skilled clinicians, residents in training and caring staff, who listen intently to our patients and families and work to respond to their needs.

We are grateful that you recognize the importance of our mission and trust us to continue meeting the needs of families when it matters most. Thank you for choosing to make a difference through Arnold Palmer Medical Center.

Sincerely,

John W. Bozard
President
