THE POWER IN ALTERNATIVE DELIVERY

CLIENT ROUNDTABLE FORUM

All levels of public and private sectors are now recognizing the power in creating Design/Build and P3 Partnerships for infrastructure development, construction delivery and economic competitiveness. Join SMPS Central Florida as we present a diverse roundtable of guests that will provide face-to-face client interaction to get breaking news on upcoming projects and dive deeply into the legal and financial issues surrounding Alternative Project Delivery.

SPEAKERS

- David Hobbs, Director of Facilities, Planning and Construction Management, Seminole State College
- Tim Ackert, Project Director, City of Orlando Venues Program
- Eric Zichella, Director, LSN Partners
- Steve Precourt, Republican State Representative, Florida House District 44
- Brooke Myers, President, Emerge Real Estate Ventures
- Jonathan Sands, P.E., District 1 Construction Engineer, Florida Department of Transportation
